Business Wastes

For disposal of wastes produced by stores, restaurants, and electronic stores, please contact sannokura center for proper disposal or take to the designated centers.

Instructions for Taking out Garbage and Recyclable Garbage

- Garbage must be taken out by 8:30 a.m. on the designated day.
- Please take out regular and recyclable garbage to the designated stations.
- Only specified items are collected. Garbage must be properly by item (into burnable trash, crushed wastes, recyclable garbage).

City Garbage Bags and Waste Stickers

- Please take out burnable trash and crushed wastes in the city garbage bags to designated stations, bags closed.
- Please take out bulky wastes with the designated stickers "Sodai Gomi Seal" affixed on the scheduled collection date.
- One pack of the City garbage bags "Shitei Gomi Bukuro" (Large, 10 bags, Medium, 15 bags, Small, 25bags) is ¥ 520. Bulky waste stickers "Sodai Gomi Seal" (¥520 / sheet) are available at supermarkets.

※Please be sure to tie bags at the top in order not to let garbage protrude out of the opening.

Designated stickers "Sodai Gomi Seal"

A city garbage bag can be used only for the amount of garbage in which the opening of the bag can be tightly closed. In the above three cases, garbage will not be collected. So please use the designated stickers "Sodai Gomi Seal".
